Town of Richmond, New Hampshire
2021 TAX COLLECTOR'S REPORT

Steve M. Boscarino, CTC
Tax Collector

Vacant
Deputy Tax Collector

Greetings to the Residents and Property Owners of Richmond,

As a continued reminder, property owners may now review and pay their property bills online at nhtaxkiosk.com. In 2021, 168 parcels were paid online; 174 parcels were paid online in 2020.

The 2021 property tax rate is \$23.45 is down from the 2020 rate of \$23.71/thousand by \$0.26, a 1.10 % decrease. Second issue 2021 property tax bills were mailed out on Wednesday, December 1, 2021 and were due on Wednesday, January 5th, 2022. Approximately 983 tax bills totaling \$1,239,031 were mailed out for collection. The total 2021 tax commitment was \$2,514,530...\$100 lower than the 2020 commitment of \$2,514,630. By law, the earliest possible due dates are July 1st and December 1st, respectively.

Again, serving the Town of Richmond for 17 years, since April 18, 2005, it is still a tremendous pleasure serving the Town and its residents.

Sincerely,

Steve M. Boscarino, CTC

Town of Richmond, New Hampshire
SELECTMEN'S ANNUAL REPORT
2021

Roads and Bridges:

Roads continue to see improvements and getting better all the time. The Selectboard commends road agent Buddy Blood for all his hard work. The floods of 2021 took its toll on Richmond roads but due to the quick response of the road agent and his crew they were repaired in record time. The cost of the floods will be offset with federal money. The original plan was to start the Whipple Hill bridge this year however the Selectboard was informed by the State that they had lowered the rating of the Tully Brook Bridge and could close it at any time. With this information the board changed the order of the bridges. As of this writing we have had little snow to judge by but the winter road maintenance seems to be going fine.

Police Coverage:

The Cheshire County Sheriff's department and NHSP provide excellent coverage. Fire/Rescue/Ambulance: The Fire and Rescue department continue with their great coverage. Chief Atkins was able to get a grant to replace old breathing equipment saving the town huge dollars. It looks as though ambulance service will be changing in the future at a higher cost.

This year we must say goodbye to two individuals that have resigned from their positions: Moderator, Walden Whitham and Parks and Recreation Chair, Karen Daugherty. We would like to express our appreciation for their many years of service to Richmond. And thank you to all of the volunteers for your dedication. If anyone is interested in volunteering please let us know!

Conclusion:

The Selectboard along with the hard work of department heads have been able to lower the town tax rate for the last 6 years all the while improving services. Due to inflation, fuel prices along with a substantial rise in ambulance service it's hard to be optimistic about this trend continuing. The board will do everything in its power to keep costs in check. With respect to ambulance service, as of this writing it is business as usual however we are expecting that to change. We are working on a few avenues. Rest assured the board will find the best service at the best cost.

Respectfully submitted,
William Daniels, *Chairman*

Town of Richmond, New Hampshire
TOWN CLERK'S REPORT
DECEMBER 2021

As the year draws to a close, the clerk's office is as busy as ever. New hours have been instituted as well as appointments for those needing evening hours. The search for a Deputy Clerk is ongoing, and hopefully we will have a candidate that meets the criteria and will be a strong advocate for the town.

I started as Town Clerk in March, helping slightly with the town election, and then settling in to the town clerk duties. Thank you all for your support! I appreciate all the residents who had patience and kindness as I worked toward becoming better equipped at doing registrations, titles, vital records, etc. I am grateful for the help of Town Administrator Susan Harrington and Assistant Jennifer Thompson, plus Pam Bielunis, Supervisor of the Checklist – their support and knowledge have helped me enormously as I wade through the intricacies of this office. Of course, former Town Clerk Annette Tokunaga is always a phone call away! I have enjoyed getting to meet many of you, or even just chatting via email or by phone. This is the best part of my job.

Dog licensing was frustrating for both me and you – rabies vaccinations were in short supply and many were unable to secure appointments so that the dogs could be licensed. I am hoping this year vaccinations will be easier to come by – but, please, pay attention to the expiration date and get appointments early.

We plan to have dump licenses online next year – so you can now not only renew your vehicle, license your dog, but also buy your stickers for the transfer station through our provider, EB2Gov. Stay tuned for more info. I hope to take a training so we can offer boat registrations again - read the Rooster for any new happenings in the Clerk's Office.

I've tried to make the office more user friendly – there are brochures available in the Town Hall, with information on town services, how to figure fees for registrations, maps for state parks and motorcycle rides, bill of sales and other forms, plus a never empty candy dish for that late afternoon pick-me-up. A coffee maker is now available for your comfort and convenience. Covid still continues to be a problem, but we can hope for better days ahead.

I am always open to suggestions on how to better serve our residents. Please let me know if there is anything I can do to improve services or make changes for the benefit of all.

Respectfully submitted,
Karen O'Brien, *Town Clerk*

Town of Richmond, New Hampshire
**RICHMOND PUBLIC LIBRARY
& TOWN ARCHIVES**

2021 was yet another challenging year for Richmond residents and the Library. The resilience of our Town shined through once again, as we weathered the threats of COVID to come out stronger than ever. We are proud to say that the Library continues to be an important source of support during these difficult times. During the months of January through April, the Library remained closed to the public offering curbside service. Patrons were able to select titles through the Library's online catalog or had careful selections made for them to await pickup. Weekly craft kits for our youngest community members were available on the front steps. Communication with the public was key during this time, and along with our email newsletter, the Library expanded its outreach through Facebook and a new website.

On May 1, we proudly reopened to the public. Our programming returned as well, and included the weekly knitting circle, summer reading program "Tails to Tales," monthly book clubs, and new this fall, weekly Mahjong. In September we added a 3D printer through the assistance of a grant through the Institute of Museum and Library Sciences and the New Hampshire State Library, bringing cutting edge technology to our small town. In December the Town's hand-crafters came together for our Handcrafts Raffle, donating beautiful hand made items to support the Library.

New Ultimaker 3D Printer

We are pleased to announce that our circulation remained steady throughout the year with 3,310 transactions and 524 registered borrowers. Downloadable audio books and ebooks became even more important during this time with 614 transactions. Our holdings increased slightly, ending the year with 10,565 items.

*"Richmond Ball Nine, Aug. 27, 1905,"
Richmond Town Archives, 1976.1.122*

The Archives continued to receive questions throughout the year, and we were pleased to have some of our photographs of the Richmond baseball teams featured in a Keene Sentinel's ELF article. We also answered many genealogical questions and helped some new homeowners research their property's historical roots. We are part of the Historical Society of Cheshire County's African American Research Collective, and to date, have identified at least 7 people of color living in Richmond between 1795 and 1860. In the fall, we worked on accessioning materials from the Richmond Historical Society, giving these important historical items a safe and permanent home.

Of course, none of this would be possible without the help of staff and volunteers. Trish Newton, our Assistant Librarian, is in charge of our email newsletter and Facebook posts, as well covering other Library duties as needed. The exterior gardens, window boxes, and front step improvements were made possible by very generous monetary gifts and volunteer labor. Our Trustees, Dixie Gurian, Barbara Rogers, John A. Lewis, and former Trustee Douglass Bartlett have given innumerable hours to help the Library run smoothly. The Library "Elves" have assisted numerous times throughout the year, donating time and materials: Sandee Auvil, Joan Bernier, Roxanne Hubert, Deb Marshall, Jean McCurdy, Elaine Moriarty and Sally Morton. Special thanks go to Noah Raymond, Shelly Patenaude, and Bridget Van Valzah for volunteering on a weekly basis, and to Susan Harrington in the Selectmen's Office for her assistance with getting the water flowing again after a water main break. We are also grateful to those who have helped in so many ways, big and small: Patty Budzik, Cay Dilello, Elaine Laitinen, Susan Marsden, Bonnie McCarthy, Terri O'Rorke, Alison Van Brocklin, Pam Weaver, and Susan Opal Wyatt. A final thanks to all Richmond residents, who help to make the Library and our Town such an exceptional place to live.

The Cheshire County Sheriff's Office provides the Town of Richmond, New Hampshire, contracted police services. This commitment has benefitted both entities over the years, and the relationship between the community and the Sheriff's Office has been very positive.

Twenty-one, as was 2020, continues to be a year to remember. The global pandemic and staff shortages continue to impact how we provide services on a day-to-day basis. Staff shortages have affected the law enforcement community nationwide. Regardless of these factors, we continue to uphold our utmost priority that every person we interact with is treated with respect, fairness, and dignity.

In 2021, as we normally do, we saw decreases and increases that can be attributed to multiple factors, especially in 2021, when we fell short on patrol hours due to staff shortages and the need to follow COVID guidelines:

- 758 Calls for Service, decrease of -22.2% (2020 = 974)
- 220 Motor Vehicle Stops, increase of -52.8% (2020 = 144)
- 8 Accidents, increase of 33.3% (2020 = 6)
- 12 Investigations, decrease of -8.33% (2019 = 11)
- 3 Arrests, decrease of -40% (2019 = 5)
- 871 work hours, decrease of -42.5% (2020 = 1516)

*The above statistical information does not include calls handled by the New Hampshire State Police.

Our goal continues to be to provide contract police services that are fiscally responsible, within budget, and thoughtful to the Town's needs.

I look forward to continuing our service to the Town of Richmond in 2022.

Respectfully submitted,

We had another eventful year of offering opportunities for the town to gather, and maintaining our park and beach. The Richmond Parks and Recreation Commission organized and hosted the Annual Winter Event in January. In March, we had our annual Easter Egg Hunt at Amidon Park. In the spring, we provided bags and gloves to help out with Richmond's Roadside clean up, and prepared the beach and park for the season. Jessica Pratt helped out by picking up trash and waste on the beach, and filling in holes as needed. Thank you! In June, we had our annual collaborative Summer Reading Kick-off and picnic with the library. It was complete with tie dying, crafts, sign-ups for Summer Reading, hot dogs, refreshments, and more. Thanks Wendy! In August, we threw our collaborative Back-to-School party with the library. There were lawn games, snacks, prizes for Summer Reading, and back to school supplies. We joined with the Agricultural Commission again this year for a combined event. In October, the Parks and Recreation Commission held our annual Harvest Festival at the Four Corners, along with the Farmer's Market. Also in October, we prepared the park and beach for the winter. It was extremely cold bringing in those buoys! By the time you're reading this, we will also have had our Christmas Party in December.

There were several improvements made at Amidon Park this year. The back fence was repaired, and by the time you're reading this, the caps should be replaced. We had the old large tree that was near the pavilion taken down, and replaced it with a Honey Locust. We also had the two smaller Alberta Spruces removed. There is now a Holly bush on either side of the pavilion entrance. The stone plaque was dug up, washed, and put above ground so that it is more visible. A row of daylilies have been planted in front of the pavilion as well.

Thank you for another great year! This was our last year on the Parks and Recreation Commission. We had a great time, and I'm sure we'll see you around.

AGRICULTURE COMMISSION REPORT

In 2021, the Agriculture Commission saw the resignations of three long time members, Lisa Hedenberg, Michelle Barrett, and Louise Nolan. This was quite a blow to the Commission, but Jennifer Daniels and Karen O'Brien decided to move on and recruit new members. We were thrilled to have seated Liz Ehrman, Lenny Solomon, Suzen Perry, and Barbara and Stillman Rogers. Many thanks to Lisa, Michelle, and Louise, who gave so much of their time and energy to the Commission. You are missed!

In order to get more visibility, the Commission decided to institute a weekly Farmer's Market, every Sunday, from Memorial Day through the beginning of October, at Four Corners (the intersection of Rt. 32 and 119). The selectmen gave their blessing to use the site, and in May we began with four vendors. We had a small but steady stream of customers, through all kinds of weather, and were joined by a couple several more occasional vendors. In addition, music was supplied by Lenny Solomon and Mark Lanen, and as well as demonstrations in pottery making by Rosti Eismont. We hope to build on the success of this past year, and will have new signs and opportunities for entertainment, workshops, and more. Any income generated by the market will be used to build the Scholarship Fund that the Commission started two years ago. Any Richmond resident can apply for the fund, as long as the money is used for education relating to agriculture or the environment.

Another new plan was to begin a speaker series, free to the public, on different aspects of agriculture, gardening, and homesteading. These would be held in the months the Farmers Market is not in session. In the past, the AgCom had held garden and farm tours, and it is our hope that we can plan for these as well.

Please remember that we exist to help support agriculture in Richmond. Please contact one of the members if you have needs that we can meet, or support that we can lend.

SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist work to keep Richmond's voter checklist up-to-date, adding and deleting voters as people move in and out of town. If an individual moves from another state, that state is notified that the individual has registered to vote in Richmond, NH. In addition to regular meetings, voter registration, and election batching tasks, the files of current and removed voters are maintained including removing and destroying the files of anyone who has removed from town greater than 7 years ago. 2021 was the year of the NH 10-Year Checklist Purge. 106 individuals were removed from the Richmond Alpha Voter Checklist through this process. Also, 30-day letters are mailed to anyone who may have moved out of town, then validation is completed before retaining or removing a voter. SOC meetings are held at the Veterans Hall unless otherwise indicated; dates are posted at the Veterans Hall, the Town Hall, and on the Richmond Web Page Calendar. Some important dates for 2022:

Tuesday, May 31st—last day to change party before the NH State Primary
Tuesday, September 6th—last SOC meeting before the NH State Primary
Tuesday, September 13th NH State Primary 11am-7pm
Wednesday, Nov 2nd--last SOC meeting before the NH State General Election Tuesday,
November 8th NH State General Election 11am-7 pm.

Of course, the number of registered voters for Richmond are constantly changing, but as of 2/15/2022, Richmond has 774 Registered Voters, 150 Registered Democrats, 239 Registered Republicans, and 385 Undeclared.

Kathleen Whitham has decided not to continue as a supervisor so we have an opening of 6-year term. Thank you, Kathleen, for your service as a supervisor.

We would like to thank all the residents of Richmond for helping our elections be secure, valid, and run smoothly. Please come out to vote on March 8th.

The virus, Covid 19 and its variations has continued to dictate the way we interact with others, socially, in our homes, in our public places, schools, places of worship and at our jobs. "Full" vaccination status, two doses and a booster against the virus are being strongly advised for all in the age categories authorized to receive vaccine. Some vaccinated individuals have still gone on to get the viral disease and/ or test positive for the virus again, requiring periods of quarantine and in some cases hospitalization. Please respect the health status and beliefs of others, continue to socially distance and wear an appropriate face mask whenever you are in the presence of others.

There have been complaints regarding the existence of unapproved septic waste disposal methods. The New Hampshire Division of Environmental Services approves the design and installation of all individual/home septic waste systems. These regulations have been in place for many years. Richmond, as well as other towns, still has homes with septic disposal methods which predate the current regulations. Homeowners, especially new owners of older properties, may not realize what is required to replace now illegal waste disposal systems such as a "cesspool" or "dry well." These methods of human waste disposal are now recognized to be serious potential health hazards.

Another issue has been "failed existing septic systems" There are items of care and maintenance an approved septic system requires to prevent a "system failure" such as scheduled septic tank pumping and leach field maintenance. The health officer is generally involved with a homeowner and by state statute supervises what happens if a system is declared failed and until a failed system is replaced according to the state guidelines. Homeowners obtain the services of a professional designer and installer who submit the plans to the NHDES subsurface bureau division for installation approval and then inspection for operational approval. Septic waste system installations are not authorized as do it yourself projects.

The usual school, child care and placement inspections have also occurred during this calendar year

RICHMOND CEMETERY TRUSTEES

Although there are more than twenty known cemeteries in Richmond the cemetery trustees are only authorized to oversee ten of them, of these five are located on Route 32 South under the "South Cemeteries" umbrella, Old South, New South, Earl Howard I,II and III as well as the five acre expansion. Aldrich lies on the Swanzey town line, Middletown next to the town hall and the recently acquired, although one of our earliest cemeteries Quaker at the four corners. Two are remote, Barrus on Whipple hill and Benson on Grassy Hill. At this time Earl Howard I, II and III at the south cemeteries are the only cemeteries with easements for sale. Richmond is one of just a few communities in New Hampshire with a green burial ground (Earl Howard III) for our residents. See the town website for green burial and contact information.

2021

Funeral homes and families chose to forgo large group burials again this year due to covid. There were no full burials, five cremations only.

Lynn Davis stepped down as secretary and we were quite fortunate in having long time resident Larry Richardson fill this important position.

In the early the spring of 2021 we had serious unforeseen equipment failures that made it necessary to purchase a new riding mower and walk behind brush cutter. These purchases greatly depleted our operating budget. Even though our funds were severely diminished early on, Sexton VanBrocklin was able to complete the required cemetery maintenance and more. He mowed the Middletown seven times and the South cemeteries nine, cutting brush and removing old barbed wire from Quaker. Several trees were cut, sheds repaired and fence rails replaced in the South. Five funerals were overseen by the sexton and chairman. The trustees completed several directories and erected three street signs made by member Jerry Mills. Chairman Merrifield placed flags and donated the use of his tractor to widen the south entrance of Earl Howard making access much safer. He also widened the opening between Old South and Earl Howard II making it easier to enter and exit the cemeteries.

2022

We plan several projects in addition to the regular maintenance:

At Middletown several large tree branches need to be professionally removed before damage is done to the headstones. The fence needs to be painted and headstones repaired.

Loam is needed in all the cemeteries, to fill in older graves and to top dress Earl Howard that has very poor soil conditions. Several foot stones and corner markers are getting overgrown and need attention as well. The cemetery expansion at the South Cemeteries needs to be brush cut. There are three remaining directories that need to be erected, Barrus, Benson and Aldrich.

CONSERVATION COMMISSION

2021 ANNUAL REPORT

The Richmond Conservation Commission held its regularly scheduled monthly meetings in addition to special work sessions and wetland related site reviews.

In the month of May the Commission was joined by landowner Jonathon Hill for a scenic walk along the Brickyard Brook which is the center piece of the Bennett Brook Conservation Easement. This 200- foot-wide corridor of land, defined by 100 ft. each side of the brook, is named for the historic brickyard located at the upstream border of the easement. Jennie Bennett, former Richmond school teacher and representative to the N.H. State Legislature, dedicated the easement in memory of her husband, Harry Bennett, founder and first Chairman of the Richmond Conservation Commission. Jon Hill, nephew of Harry and Jennie, currently lives in their former home and enjoys volunteering his time to maintain the brookside easement and footpath for the enjoyment of this beautiful resource.

On August 21st, the Commission sponsored a public outreach educational program about historic land use, forest succession and its relationship to wildlife habitat. A power point presentation lead by Matt Kelly, Cheshire County Forester and Steve Roberge, UNH Extension Specialist of Forest Resources, discussed how forests developed over time in response to settlement clearing and extreme weather events. A field session in the Bennett Forest followed the power point presentation, where attendees saw and discussed examples of various plant and tree species and their relationship to the stages of plant succession.

We urge the public to explore and enjoy both the Bennett Gorge and Town Forest which are open any time of year.

RICHMOND HIGHWAY REPORT

The Winter of 2020 – 2021 was not too bad. We had 12 snow storms, totaling 78 inches of snow, and two ice storms.

The mud season on the other hand was terrible! Every road had bad mud holes & some had to be fixed more than once.

We started grading road on April 5,, 2021. Then it snowed again.

A lot of people THINK they know why we get mud but I would like to tell you why we get mud. When it warms up too fast it thaws from the top down. The ground is still frozen under the mud and the water cannot go anywhere until it thaws out all the way. The water gets trapped so it turns to mud. (Put water in a bucket, add gravel, stir it up, and you get mud!) Most of the time when you add stone when the ground has not thawed underneath the stone goes down and the mud comes up.

We finally finished grading on May 19, 2021. We ditched and graded Pond Woods Road, ditched the Fish Hatchery Road from Mill Road to Rte. 32 as well as cleaned culverts and replaced a few. We cleaned culverts, ditched and regraded Bullock Road.

We cut a lot of brush on Honey Hill Road.

Then came the rain! We had washouts on the Fish Hatchery Road, Benson Road, Honey Hill Road, Activity Road, Martin Cook Road, Taylor Hill Road, Whipple Hill Road, Old Turnpike Road, Sprague Road, Greenwood Road, Tully Brook Road, Fay Martin Road, and Morgan Road. THERE GOES MY PLANS FOR THE SUMMER! We worked on washouts from July until September.

We started grading again October 6, 2021 and finished November 9, 2021.

Fish Hatchery Rd finally got paved October 22, 2021.

We got the roads ready for the winter.

We did a lot more stuff but I have written enough!

DEPARTMENT OF WELFARE

Our tax money is used to help fund local agencies who support our residents as well as local resident needs. I continue to work with residents that need assistance with a variety of welfare-related issues. These include, but are not limited to helping with budgeting tasks and referring residents to agencies that fund a variety of financial issues. In addition, there are resources for other needs such as rides, small household repairs, internet costs, and food options. One point to mention is that when applying for assistance in town or with other agencies, a good deal of paperwork is required for proof of income and expenses in addition to the application. No application can be processed without all necessary paperwork. I am in the process of reviewing the limits for assistance as it has not been updated since April 2015. Please contact the Selectman's office to obtain an application.

Richmond Meals on Wheels Program:

The Richmond Meals on Wheels Program celebrated its first anniversary on February 1, 2022. Our dedicated drivers have provided 1355 meals to our residents. I would like to thank these special volunteers who make this program possible: Alan Conklin, Cay Dilello, Fran Heap, Roxanne Hubert, Pam Goodell, Carol Jameson, Mark Lanen, Susan Lanen, Karen O'Brien, Suzen Perry, Tim Stillman, Mary Silver, and Alison VanBrocklin. If you are interested in receiving meals in Richmond, please contact me and I will help you get the process started with Home Health and Community Services. We are a "Grab and Go" town where the meals are picked up at the Veterans Hall for the week every Monday at noon. If someone is unable to pick up their meals, they can be delivered by our volunteers.

In addition, I keep a list of residents who wish to help an individual/family in need on a short term, temporary basis. This may include help bringing in wood, cooking a meal, taking trash to the dump etc. They are known as Richmond's Rays of Sunshine. If you are interested in joining this group, please contact me and indicate what tasks you would be willing to help with and what days you would be available. Also, please let me know if you know someone who could use some help.

For persons seeking help with expenses:

Helpful Tips:

- Keep your monthly rent or mortgage payment less than half of your household's income monthly income; consider refinancing at a lower interest rate to decrease monthly payment
- Set up monthly payment plans with your electric company, heating fuel supplier, doctor, and dentist
- Use savings and retirement money to pay living expenses until your income increases
- Cancel all voluntary deductions out of your paycheck to increase your take home pay
- If you have a home and cell phone cancel one of them
- Cancel cable TV and internet until your income increases. Internet is free at the library
- Refinance car loan, extend the repayment term (lower your monthly payment), look at cheaper insurance
- To look for job: register online at www.nhworks.org
- Put college loans into deferment or forbearance until your income increases
- Cut up credit cards or keep one with a credit limit of \$500
- Do NOT get a Payday Loan—you will end up paying back up to 400% interest.

If you need to apply for Assistance from the Town of Richmond, you will need to provide the following items at your appointment: (including all pages of statements)

NOTE: You may apply for assistance once per month. Assistance is NOT on-going. If you think you need help in the future, call to set up appointment and gather paperwork listed below. You will need to fill out another application and bring all new documents for the most recent 4 weeks when you re-apply. Be sure to contact the other resources that are able to provide more assistance.

We monitored the pandemic closely and ensured that we were aware of all of the latest developments. We stayed in close contact with NH HSEM with nearly daily communications. We ensured that we were properly supplied with the necessary PPE. We kept abreast of any recommendations that may need to be implemented. Richmond, on the whole, handled the pandemic well.

We gathered a team of talented individuals and held multiple meetings to develop an updated Hazards Mitigation plan. The Fire Department, the Road Agent and the Select Board all played an integral part in helping with the update. We also had support from the Southwest Regional Planning Commission. These updates are required by regulation such that if the need arises we can submit requests for assistance and/or money from FEMA.

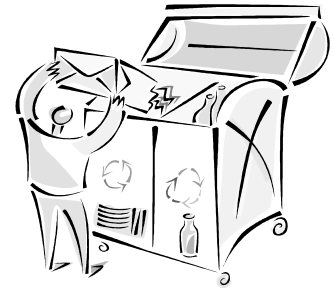

We were able to complete all of our tasks under budget for the year.

The Zoning Board of Adjustment reviewed 2 applications that were submitted for board action. The Zoning Boards function is to give restricted relief to applicants when it is feasible. The process can be long and very frustrating for the applicant as well as the Board, All the members are volunteers and following the criteria can be difficult.

The primary responsibilities of the Zoning Board of Adjustment are:

- To review and resolve, where possible, citizen appeals to local administrative decisions relating to zoning.
- To review and decide on requests for a Special Exception(s) to town zoning ordinances(s).
- To review and decide on requests for a Variance(s) to a town zoning ordinance(s).
- To review and decide on requests for Grants of Equitable Waivers of dimensional requirements.

The Board looks forward to serving the residents of Richmond and welcomes public attendance at their public hearings. The Zoning Board is always looking for volunteers who would like to serve on a Land Use Board. Serving on the Zoning Board of Adjustment can be difficult but does use minimal time from your private life and can be rewarding. Please, contact the Land Use Assistant to discuss if a position on the board is a good fit for you.

The 2021 Town elections welcomed Stacie Maillet and Kathy McWhirk to the Planning Board. Maillet has served on the Planning Board as Chairman and McWhirk who served the town in a Selectman capacity has proven to be an asset to the board. Planning Board Elections welcomed Stacie Maillet serving as Chairman, Lloyd Condon serving as Vice Chairman and Doug Smith serving as Secretary. The Planning Boards loss of key members in the past few years has taken with them education, time and history on the board. New board members are getting up to speed on procedure, cooperation and what their role is on the board. Butch Morin continues to serve Richmond in the position of Commissioner for Richmond, to the Southwest Regional Planning Commission. Morin continues to hold a seat on the Board of Directors for Southwest Regional Planning Commission. Doug Bersaw continued to serve as the Selectman's Representative.

Education offered to new board members has been limited participation webinars. Several members were able to free up a Saturday in May to join in a webinar sponsored by the NH Office of Strategic Initiatives regarding land use basics, Roles and Responsibilities and Decision Making.

A big thank you to Eric Duda, Doug Smith and Jed Butterfield who volunteered their trucks and labor to move records from the Veterans Hall back to the CD building in July. This act of kindness saved the board money in moving costs. Land Use started off using the Civil Defense building (Taylor/ VanBrocklin building) for their meetings in August and moved back to the Veterans Hall in October due to social distancing and a break in the waterline at the Fire Department complex. With the increase in Covid the Land Use Boards decided to stay at the Veterans Hall to achieve the social distancing recommended by the CDC.

The Planning Board addressed a Boundary Line Adjustment for Map 405 Lot 71 and 72 and a subdivision for Map 405 Lot 39. Revisions were made to the Town Subdivision and Site Plan Regulations to align the town with the National Flood Insurance Plan as recommended by the Federal Emergency Management Association. In October the board changed their regular meeting time from 7:30 PM to 7:00 PM to allow for an earlier timeframe for their meetings.

Overall, it's been a busy year keeping up with the ever changing local, state, and federal updates. Our board members are volunteers who donate many hours of their personal time and expertise to keep Richmond moving forward. The Planning Board would like to thank the town for their continued support and look forward to continuing to serve their town to the best of their ability. We always appreciate your patience, understanding and cooperation.
